Calling all Native American girls!

Ever wonder how computer games and robots work?

Coding is how we talk to computers!

Girls 9-12yrs: Join the

Sisterhood of Native American Coders

as we journey together to:

- Explore "What is coding"?
- Uncover how can it change the world.
- Learn the basics of coding.
- Apply code to a fun project.
- Enter in an event together.
- Build a **Sisterhood** for life!
